Dear Republican Leaders,

I would like to congratulate Ferrell Blount and wish him the best of luck as he steps down as State Republican Party Chairman to pursue elected office.

Today I am contacting you about the important crossroads facing Republicans in North Carolina, and the decisions we must make to build our party and become the majority in the future.

We could do no better than to have one of the brightest rising stars of our party to lead us at this important time as State Party Chairman - my trusted friend, State Senator Andrew Brock.

Senator Brock is not only a rising star, but is a campaign consultant by trade who can apply a professional approach to running our party, raising money and recruiting solid candidates.

Senator Brock has the character, integrity and know-how to lead us. He is a strong and true conservative who shares our values, and who knows how to get the job done.

Now is the time for us to unite and renew our commitment to the Republican principles we hold dear. I ask for you to join me in supporting Senator Andrew Brock to be our next Republican Party Chairman.

Sincerely,

Senator Lauch Faircloth
