SHERIFF'S LEGAL MEMORANDUM # 2005-9-20

TO: Willie Best, County Manager
Jonathan Maxwell, County Attorney

FROM: Susan Moore, Sheriff's Attorney

Susan Moore

SUBJECT: Threatened Lawsuit

Sheriff Barnes asked that I pass on this correspondence to each of you for your information. While we realize that this is not currently a lawsuit, we can expect to see more of this type of demand as the information from the Court/Jail Study becomes public.

According to our records, Mr. Fulton was held in the Greensboro Jail during 2003. I have not researched any of his other claims and I am not recommending that we respond or attempt to negotiate with him on his alleged claims.

If you wish us to take any further action on this matter, please let me know.

Cc: Sheriff Barnes
