RE: Statute Applicable to Meetings of Board of Commissioners
Held Outside the County

I enclose a copy of G.S. 153A-40. Specifically, G.S. 153A-40(c) provides that if a board of commissioners meets outside the county in connection with a retreat or similar gathering, members of the board "shall not vote upon or otherwise transact public business while in attendance at such a gathering; . . ." This is for your information. Thank you.
