GOLDIE FRINKS WELLS

I am pleased to announce that I have filed to run for the Greensboro City Council District 2 seat.

As a citizen, I share the concerns of my fellow citizens in this community about the issues we face with crime and violence. Our desire is to have safe communities, neighborhoods with affordable housing, more jobs, and more economic development. I will work to maintain equity and fairness in government.

I have chosen to run for the Council seat from District 2 because I have a desire to serve and represent the citizens of this community from a citywide perspective. I believe that my leadership and service as chairperson of the Concerned Citizens of Northeast Greensboro, my service on municipal boards and community involvement equip me with insight into issues, perspectives and needs of the citizens. My filing for this office gives the citizens of Greensboro the opportunity for choice in its leadership.

As a member of the Greensboro City Council, I will work and support:

- The empowerment of neighborhoods and communities with the resources needed to fight drugs and crime, and ensure safety.
- The enhancement and increase of economic opportunities for my district and the city as a whole.
- The expansion of programs for equitable cultural diversity.
- The increase of accommodations to meet the needs of transit patrons throughout the city.
- The assurance of quality and impartial basic services, i.e. public safety, code enforcement, street repair, yard and waste pick-up.

I pledge to be accountable to the citizens. I pledge to serve with the utmost integrity and I will make the people my number one priority.

Goldie Frinks Wells, Ed.D.
